L.13 PROPOSAL PROTESTS

Any actual or Prospective Offeror, or Contractor who is aggrieved in connection with the solicitation or award of a Contract, must file with the D.C. Contract Appeals Board (Board) a protest no later than 10 business days after the basis of protest is known or should have been known, whichever is earlier. A protest based on alleged improprieties in a solicitation which are apparent prior to the time set for receipt of initial proposals shall be filed with the Board prior to bid opening or the time set for receipt of initial proposals. In procurements in which proposals are requested, alleged improprieties which do not exist in the initial solicitation, but which are subsequently incorporated

into this solicitation, must be protested no later than the next closing time for receipt of proposals following the incorporation. The protest shall be filed in writing, with the Contract Appeals Board, 717 14th Street, NW, Suite 430, Washington, D.C. 20004. The aggrieved person shall also mail a copy of the protest to the Contracting Officer for the solicitation.

L.14 SIGNING OF OFFERS

The Offeror shall sign the offer and print or type its name on the Solicitation, Offer and Award form of this solicitation. Erasures or other changes shall be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the Contracting Officer.

L.15 UNNECESSARILY ELABORATE PROPOSALS

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective response to this solicitation are not desired and may be construed as an indication of the Offeror's lack of cost consciousness. Elaborate artwork, expensive paper and bindings, and expensive visual and other presentation aids are neither necessary nor desired.

L.16 RETENTION OF PROPOSALS

All proposal documents will be the property of the District and retained by the District, and therefore will not be returned to the Offerors.

L.17 PROPOSAL COSTS

The District is not liable for any costs incurred by the Offerors' in submitting proposals in response to this solicitation.

L.18 ACKNOWLEDGMENT OF AMENDMENTS

The Offeror shall acknowledge receipt of any amendment to this solicitation by (a) signing and returning the amendment; (b) by identifying the amendment number and date in the space provided for this purpose on page 1 of the solicitation; or (c) by letter or telegram including mailgrams. The District must receive the acknowledgment by the date and time specified for receipt of offers. Offerors' failure to acknowledge an amendment may result in rejection of the offer.

L.19 ACCEPTANCE PERIOD

The Offeror agrees that its offer remains valid for a period of 90 days from the solicitation's closing date.

L.20**OPTIONAL PRE-PROPOSAL CONFERENCE**

There shall be an Optional Pre-Proposal Conference to be held at 10:00 AM on November 16, 2004, at 955 L'Enfant Plaza, SW, Suite 5200, Washington, DC, 20024. This is an Optional Pre-Proposal Conference and attendance is not mandatory. However, CFSA does encourage all Prospective Offerors to attend.

Nature of Discussions: All technical and procedural questions submitted in compliance with the requirements of the RFP shall be addressed at the conference. Additional questions, which may be posted at the conference, shall be accepted, and CFSA will attempt to provide written answers by written amendment to the RFP. Offerors are cautioned that oral responses are not binding on CFSA.

Impromptu questions shall be permitted and spontaneous answers shall be provided at the District's discretion. Verbal answers given at the Pre-Proposal Conference are only intended for general discussion and do not represent the District's final position. All oral questions shall be submitted in writing following the close of the Pre-Proposal Conference but no later than five business days after the Pre-Proposal Conference in order to generate an official answer. Official answers shall be provided in writing to all prospective Offerors who are listed on the official Offeror's list as having received a copy of the solicitation.

L.21**BEST AND FINAL OFFERS**

If, subsequent to receiving original proposals, negotiations are conducted, all Offerors within the competitive range will be so notified and will be provided an opportunity to submit written Best And Final Offers at the designated date and time. Best And Final Offers will be subject to Late Submissions, Late Modifications and Late Withdrawals of Proposals provision of the solicitation. After receipt of Best And Final Offers, no discussions will be reopened unless the Contracting Officer determines that it is clearly in the Government's best interest to do so, e.g., it is clear that information available at that time is inadequate to reasonably justify Contractor selection and award based on the Best And Final Offers received. If discussions are reopened, the Contracting Officer shall issue an additional request for Best And Final Offers to all Offerors still within the competitive range.

L.22**FAMILIARIZATION WITH CONDITIONS**

Contractors shall thoroughly familiarize themselves with the terms and conditions of this solicitation, acquainting themselves with all available information regarding difficulties which may be encountered and the conditions under which the work is to be accomplished. Contractors shall not be relieved from assuming all responsibility for properly estimating the difficulties and the cost of performing the services required herein due to their

failure to investigate the conditions or to become acquainted with all information, schedules and liability concerning the services to be performed.

SECTION M EVALUATION FACTORS

M.1 EVALUATION CRITERIA FOR AWARD

The contract shall be awarded to the responsive, responsible and qualified Offeror whose offer represents the “best value” for the District, based upon the evaluation criteria specified below.

“Best value” means that the proposed services fully satisfy the requirements outlined in Section C of the RFP, and offer a competitive price from a cost point of view.

While the points in the evaluation criteria indicate their relative importance, the total scores will not necessarily be determinative of the award, rather, the total scores will guide the District in making an intelligent award decision based upon the evaluation criteria.

The District may award a contract on the basis of initial offers received without discussions. Therefore, each initial proposal should contain the Offeror’s terms from a standpoint of price, technical and other factors.

M.2 EVALUATION CRITERIA

Selection of an Offeror for Contract award will be based on an evaluation of proposals against the following factors:

<u>Criteria</u>	<u>Maximum Points</u>
Technical Proposal	70
• Management Approach	25
• Experience of Offeror	25
• Past Performance	20
Price Proposal	30
Total Points	100

M.2.1 PRICE CRITERIA (30 Points)

The price evaluation shall be objective. The Offeror with the lowest price shall receive the maximum price points. All other proposals shall receive a proportionately lower total score. The following formula will be used to determine each Offeror's evaluated price score:

Sum of the unit prices for the base period and all option year
of the lowest priced Offeror

Sum of the unit prices for the base period
and all option years of the Offeror
being evaluated

X 30 = Evaluated Price
Score

CFSA shall evaluate option pricing equally as base year pricing for this RFP since it is anticipated that CFSA will exercise all of the options.

In addition, CFSA will determine responsibility after it completes the evaluation of the proposals but before it awards the Contract.

M.3.1 **GENERAL PREFERENCES**

M.3.2 Under the provisions of D.C. Law 13-169, "Equal Opportunity for Local, Small, or Disadvantaged Business Enterprises Amendment Act of 2000" (the Act), the District shall apply preferences in evaluating bids or proposals from businesses that are local, disadvantaged, resident business ownership or located in an enterprise zone of the District of Columbia.

M.3.3 For evaluation purposes, the allowable preferences under the Act for this procurement are as follows:

- 1) Four percent reduction in the bid price or the addition of four points on a 100-point scale for a local business enterprise (LBE) certified by the Local Business Opportunity Commission (LBOC);
- 2) Three percent reduction in the bid price or the addition of three points on a 100-point scale for a disadvantaged business enterprise (DBE) certified by the LBOC;
- 3) Three percent reduction in the bid price or the addition of three points on a 100-point scale for a resident business ownership (RBO), as defined in Section 2(a)(8A) of the Act, and certified by the LBOC; and
- 4) Two percent reduction in the bid price or the addition of two points on a 100-point scale for a business located in an enterprise zone, as defined in Section 2(5) of D.C. Law 12-268 and in 27 DCMR 899, 39 DCR 9087-9088 (December 4, 1992).

M.3.4 Any prime contractor that is a LBE certified by the LBOC will receive a four percent (4%) reduction in the bid price for a bid submitted by the LBE in response to an Invitation for Bids (IFB) or the addition of four points on a 100-point scale added to the overall score for proposals submitted by the LBE in response to a Request for Proposals (RFP).

M.3.5 Any prime contractor that is a DBE certified by the LBOC will receive a three percent (3%) reduction in the bid price for a bid submitted by the DBE in

response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the DBE in response to a RFP.

M.3.6 Any prime contractor that is a RBO certified by the LBOC will receive a three percent (3%) reduction in the bid price for a bid submitted by the RBO in response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the RBO in response to a RFP.

M.3.7 Any prime contractor that is a business enterprise located in an enterprise zone will receive a two percent (2%) reduction in the bid price for a bid submitted by such business enterprise in response to an IFB or the addition of four points on a 100-point scale added to the overall score for proposals submitted by such business in response to a RFP.

M.4 **PREFERENCES FOR SUBCONTRACTING IN OPEN MARKET SOLICITATIONS WITH NO LBE, DBE, RBO SUBCONTRACTING SET-ASIDE**

M.4.1 The preferences for subcontracting in open market solicitations where there is no LBE, DBE or RBO subcontracting set-aside are as follows:

1) If the prime contractor is not a certified LBE, certified DBE, certified RBO or a business located in an enterprise zone, the District will award the above-stated preferences by reducing the bid price or by increasing the points proportionally based on the total dollar value of the bid or proposal that is designated by the prime contractor for subcontracting with a certified LBE, DBE, RBO or business located in an enterprise zone.

2) If the prime contractor is a joint venture that is not a certified LBE, certified DBE or certified RBO joint venture, or if the prime contractor is joint venture that includes a business in an enterprise zone but such business located in an enterprise zone does not own and control at least 51% of the joint venture, the District will award the above-stated preferences by reducing the bid price or by increasing the points proportionally in the proposal based on the total dollar value of the bid or proposal that is designated by the prime contractor for a certified LBE, DBE , RBO or business located in an enterprise zone, for participation in the joint venture.

M.3.2 **For Example:**

If a non-certified prime contractor subcontracts with a certified local business enterprise for a percentage of the work to be performed on an RFP, the calculation of the percentage points to be added during evaluation would be according to the following formula:

Amount of Subcontract

----- x 4* = Points Awarded During Evaluation for
Amount of Contract LBE Subcontracting

*Note: Equivalent of four (4) points on a 100-point scale

The maximum total preference under the Act for this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to a RFP. Any prime contractor receiving the full bid price reduction or point addition to its overall score for a particular preference will not receive any additional bid price reduction or points for further participation on a subcontracting level for that particular preference.

However, the prime contractor will receive a further proportional bid price reduction or point addition on a different preference for participation on a subcontracting level for that difference preference. For example, if a LBE prime contractor receives the four percent bid price reduction or the equivalent of four points on a 100-point scale, the LBE prime contractor does not receive a further price reduction or additional points if such contractor proposes subcontracting with an LBE. However, if this same LBE prime contractor proposes subcontracting with a DBE, the LBE prime contractor receives a further proportional bid price reduction or point addition for the DBE participation on the subcontracting level.

M.4 PREFERENCES FOR OPEN MARKET SOLICITATIONS WITH LBE, DBE or RBO SUBCONTRACTING SET ASIDE

M.4.1 If the solicitation is an open market solicitation with a LBE, DBE or RBO subcontracting set-aside, the prime contractor will receive the LBE, DBE or RBO preferences only if it is a certified LBE, DBE or RBO. There shall be no preference awarded for subcontracting by the prime contractor with a LBE, DBE or RBO, even if the prime contractor proposes LBE, DBE or RBO subcontracting above the subcontracting levels required by the solicitation. However, the prime contractor shall be entitled to the full preference for businesses located in an enterprise zone if it is a business located in an enterprise zone or a proportional preference if the prime contractor subcontracts with a business located in an enterprise zone.

M.4.2 The maximum total preference under the Act for this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to a RFP.

M.5 Preferences for Certified Joint Ventures Including Local or Disadvantaged Businesses or Resident Business Ownership.

When an LBOC-certified joint venture includes a local business enterprise (LBE), disadvantaged business enterprise (DBE) or a resident business ownership (RBO), and the LBE, DBE or RBO owns and controls at least fifty-

one (51%) of the venture, the joint venture will receive the preferences as if it was a certified LBE, DBE or RBO.

M.6 **PREFERENCES FOR JOINT VENTURES INCLUDING BUSINESSES LOCATED IN AN ENTERPRISE ZONE**

When a joint venture includes a business located in an enterprise zone, and such business located in an enterprise zone owns and controls at least fifty-one percent (51%) of the venture, the joint venture will receive the preference as if it were a business located in an enterprise zone.

M.7 **VENDOR SUBMISSION FOR PREFERENCES**

Any vendor seeking to receive preferences on this solicitation must submit at the time of, and as part of its bid or proposal the following documentation, as applicable to the preference being sought:

- (a) Evidence of the vendor's, subcontractor's, or joint venture partner's certification or self-certification as a LBE, DBE or RBO, to include either:
 - (1) A copy of all relevant letters of certification from the Local Business Opportunity Commission (LBOC); or
 - (2) A copy of any sworn notarized Self-Certification Forms prescribed by the LBOC, along with an acknowledgement letter issued by the Director of the LBOC. Businesses with principal offices located outside of the District of Columbia must first be certified as LBEs before qualifying for self-certification.
- (b) Evidence that the vendor or any subcontractor is located in an enterprise zone.
- (c) In order for a bidder or offeror to receive allowable preferences under this solicitation, the bidder or offeror must include the relevant information as described in subparagraphs (a) and (b) of this clause, as part of its bid or proposal.

ATTACHMENT J.5 CONTAINS THE SELF-CERTIFICATION PACKAGE

In order to receive any preferences under this solicitation, any vendor seeking self-certification must complete and submit the forms to:

Office of Local Business Development
ATTN: LSDBE Certification Program
441 Fourth Street, NW, Suite 970N
Washington, DC 20001

All vendors are encouraged to contact the Local, Small and Disadvantaged Business Enterprises Certification Program at (202) 727-3900 if additional information is required on certification procedures and requirements.

M.8 PENALTIES FOR MISREPRESENTATION

Any material misrepresentation on the sworn notarized self-certification form could result in termination of the contract, the contractor's liability for civil and criminal action in accordance with the Act, D.C. Law 12-268, and other District laws, including debarment.

M.9 LOCAL, SMALL, AND DISADVANTAGED BUSINESS ENTERPRISE SUBCONTRACTING

When a prime contractor is certified by the Local Business Opportunity Commission (LBOC) as a local, small or disadvantaged business or a resident business ownership, the prime contractor shall perform at least fifty percent (50%) of the contracting effort, excluding the cost of materials, goods, and supplies with its own organization and resources, and if it subcontracts, fifty percent (50%) of the subcontracting effort, excluding the cost of materials, goods, and supplies shall be with certified local, small, and disadvantaged business enterprises and resident business ownership, unless a waiver is granted by the contracting officer, with the prior approval and consent of the Director of the LBOC under the provisions of 27 DCMR 805, 39 DCR 5578-5580 (July 24, 1992).

By submitting a signed bid or proposal, the prime contractor certifies that it will comply with the requirements of paragraph (a) of this clause.

M.10 CLAUSE APPLICABLE ONLY TO OPEN MARKET SOLICITATIONS WITH LBE, DBE, OR RBO SUBCONTRACTING SET-ASIDE

Under the provisions of 27 DCMR 801.2(b), 39 DCR 5571 (July 24, 1992), _____% of the total dollar value of this contract has been set-aside for performance through subcontracting with local business enterprises, disadvantaged business enterprises, or resident business ownership. Any prime contractor responding to this solicitation shall submit with its bid or proposal a notarized statement detailing its subcontracting plan (See Clause M-11.1, Subcontracting Plan and Clause M-12, Liquidated Damages). Once the plan is approved by the contracting officer, changes will only occur with the prior written approval of the contracting officer.

1. Subcontracting Plan

A notarized statement detailing a subcontracting plan shall be submitted, as part of the bid or proposal, by any prime Contractor seeking a preference on the basis of proposed subcontracting with a local business enterprise (LBE), disadvantaged business enterprise (DBE), resident business ownership (RBO) or business located in an enterprise zone; and by any prime contractor responding to a solicitation in which there is a LBE, DBE, or RBO subcontracting set-aside. Each subcontracting plan shall include the following:

Assurances that the prime contractor will cooperate in any studies or surveys that may be required by the contracting officer, and submit periodic reports, as requested by the contracting officer, to allow the District to determine the extent of compliance by the prime contractor with the subcontracting plan;

M.12 **LIQUIDATED DAMAGES**

M.12.1 If during the performance of this contract, the contractor fails to comply with the subcontracting plan submitted in accordance with the requirements of this contract and 27 DCMR 804.9, 39 DCR 5578 (July 24, 1992), and as approved by the contracting officer, the contractor shall pay to the District liquidated damages in the sum of (\$150.00), for each calendar day the contractor fails to comply with the subcontracting plan, unless the Contracting officer determines that the contractor made good faith efforts to comply with the subcontracting plan in accordance with subparagraph (b) below.

M.12.2 Prior to assessing any liquidated damages under this provision, the contracting officer shall issue a written notice informing the contractor that it is not in compliance with the subcontracting plan and set forth the areas of non-compliance. The written notice from the contracting officer shall provide the contractor with ten (10) days from the date of receipt of the written notice to correct any areas of non-compliance or to demonstrate that the contractor has used good faith efforts to comply with the subcontracting plan. If the contractor fails to correct any areas of non-compliance or demonstrate good faith efforts within the ten-day period, the contracting officer shall assess liquidated damages beginning on the first day after the end of the ten-day period.

M.12.3 If failure to comply with the subcontracting plan is such that the contracting officer determines it to be a material breach of the contract and terminates the contract under the Default Clause of the Standard Contract Provisions, the contractor shall be liable for aforementioned liquidated damages accruing until the time the District may reasonably obtain similar goods or services.
